

This form must be completed by any Harvard undergraduate students currently on leave who plan to participate in a Commencement ceremony as "walkers" during the time they are on leave. This applies to any student not actively enrolled at the College in the spring term in which the Commencement ceremony occurs. Please note that students who have been required to withdraw are not eligible to participate in academic exercises on campus during the time of their withdrawal.

This form does NOT replace approval from your Resident Dean, Academic Coordinator or House Administrator - you will need to communicate with them directly to complete any approval processes for being a "walker" before completing this form.

This form only relates to housing on campus during the Senior Week and Commencement week. You can find dates listed [here](#). For questions related to participation in Senior Week Activities, contact John Prince ([john\\_prince@harvard.edu](mailto:john_prince@harvard.edu)).
